Professional Summary

Creative and results-driven UI/UX and Graphic Designer with over 5 years of experience designing user-centered digital products, responsive websites, and e-commerce platforms. Skilled in user research, wireframing, prototyping, and front-end collaboration to deliver intuitive, accessible experiences.

Proficient in Figma, Adobe Creative Suite, HTML/CSS, JavaScript, React, and SEO optimization. Known for combining design thinking and data-driven strategies to solve complex problems and drive measurable business impact.

Professional Experience

Web Designer – Gubeiding

Mar 2023 – May 2024 (On-site, Taiwan – Taipei City)

- Designed and optimized e-commerce websites, increasing GMV by **125% YoY (Q1 2023 vs Q1 2024)**.
- Led SEO efforts, resulting in a **7x increase in total clicks and a 10x boost in overall exposure**.
- Enhanced user experience by streamlining checkout flows and integrating APIs for shipping optimization.

Visual Designer – VIIDA

Jan 2022 – May 2024 (On-site, Taiwan – Taoyuan City)

- Collaborated with developers and marketing to redesign the e-commerce website, achieving **3x higher conversion rates**.
- Delivered product pages, packaging designs, and visuals aligned with brand guidelines, contributing to a **219% GMV YoY growth**.
- Improved user engagement through user-centered design and storytelling.

Fashion Designer – Great Giant

Jul 2019 – Jul 2021 (On-site, Taiwan – Taipei City)

- Managed end-to-end product development for international clients including **Walmart, Amazon, and Target**.
- Conducted market research and created tech packs, overseeing production schedules and budget controls.
- Co-founded a new men's fashion brand, driving concept development and market entry.
