## Professional Summary

Creative and results-driven UI/UX and Graphic Designer with over 5 years of experience designing user-centered digital products, responsive websites, and e-commerce platforms. Skilled in user research, wireframing, prototyping, and front-end collaboration to deliver intuitive, accessible experiences.

Proficient in Figma, Adobe Creative Suite, HTML/CSS, JavaScript, React, and SEO optimization. Known for combining design thinking and data-driven strategies to solve complex problems and drive measurable business impact.

## Professional Experience

### Freelance Designer

Aug 2025 – (Remote, Vancouver – BC)

- **Provided full-scope design support for B2B and B2C clients across branding, digital, print, presentations, and web, using A/B testing and iterative design to improve brand positioning, engagement, and business outcomes.**
- Designed a wide range of brand-aligned marketing collateral and internal documentation for **Kindbridge Behavioral Health**, ensuring visual consistency and clarity.
- Built and launched a WordPress website for **L Trends Consulting**, delivering a modern, clean design that met client requirements.
- Led the creation of cross-platform event visuals for **Windsor Events**, spanning Meta ads, web banners, and signage systems, delivering up to 4 distinct brand guideline kits per month.

### Web Designer – Gubeiding

Mar 2023 – May 2024 (On-site, Taiwan – Taipei City)

- Designed and optimized e-commerce websites, increasing GMV by **125% YoY (Q1 2023 vs Q1 2024)**.
- Led SEO efforts, resulting in a **7x increase in total clicks and a 10x boost in overall exposure**.
- Enhanced user experience by streamlining checkout flows and integrating APIs for shipping optimization.

### Visual Designer – VIIDA

Jan 2022 – May 2024 (On-site, Taiwan – Taoyuan City)

- Collaborated with developers and marketing to redesign the e-commerce website, achieving **3x higher conversion rates**.
- Delivered product pages, packaging designs, and visuals aligned with brand guidelines, contributing to a **219% GMV YoY growth**.
- Improved user engagement through user-centered design and storytelling.

## Selected Projects & Impact

### [KindBridge — Freelance Multi-Brand Visual](#)

Produced brochures, presentation decks, and digital webpage designs for KindBridge, Playwise, and Stigma Stand Down. Balanced distinct brand styles while supporting cohesive visual communication across digital and physical formats.

### [L Trends Consulting — Website Design & WordPress Implementation](#)

Designed and built a modern, brand-aligned website using WordPress. Translated business goals into a clean, professional online presence, focusing on clarity, usability, and responsive layout to support consulting services and client engagement.

### [Mobin Donut — Personal Side Project \(Full-Stack Collaboration\)](#)

Crafted brand identity and designed a responsive web using Adobe Suite, with a smooth Figma-to-dev handoff. Developed the platform using React, Tailwind CSS, and APIs, effectively balancing design and development.
